

## House Resolution No. 2592

**Whereas**, the members of the Missouri House of Representatives hold in high esteem those Show-Me State teachers who have developed and maintained outstanding reputations for the excellence of their educational pursuits; and

**Whereas**, Michelle Gilmer has attained considerable distinction as a software coordinator and technician for two buildings in the Sikeston R-VI School District; and

**Whereas**, Michelle Gilmer recently enhanced her already impressive record of achievements when she attained National Board Certification as a Middle Childhood Generalist from the National Board for Professional Teaching Standards; and

**Whereas**, National Board Certification is a lengthy, rigorous assessment that can take up to three years to complete and that results in a less than forty percent success rate for first-time applicants; and

**Whereas**, to attain National Board Certification, Michelle Gilmer presented evidence of teaching effectiveness, including classroom video segments and analysis of teacher decisions and student work; examples of teaching practices which result in an accompanying increase in student learning; models of meaningful interaction with parents to impact student learning; documents supporting such appropriate teaching strategies as large and small group learning, use of effective questioning techniques, choice of materials that engage students, checking for understanding throughout the lesson and making adjustments, and properly evaluating student work for understanding to determine what and how to reteach; and timed assessments to prove superior levels of content knowledge; and

**Whereas**, part of the evaluative process which Michelle Gilmer underwent to earn National Board Certification included appraisal by a jury of qualified experts in states other than Missouri:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the educational accomplishments garnered by educator Michelle Gilmer down through the years and to convey this legislative body's heartiest congratulations upon the completion of rigorous National Board Certification through the National Board for Professional Teaching Standards and our best wishes for continued success as a respected employee of the Sikeston School District; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for presentation to Michelle Gilmer of Sikeston, Missouri.
